

Dear NC State Alumni & Friends,

Located 90 miles off the coast of Key West, Fla., Cuba is an island brimming with vibrant art, soul-stirring music and villages cloaked in colonial charm. Cuba, once again accessible to American travelers, is a country begging to be explored. Travel with us to the largest Caribbean island nation and discover a country with a population as warm and scintillating as its tropical climate and colorful arts. Begin your journey in Havana, Cuba's enigmatic capital city. Explore 500-year-old Old Havana, a UNESCO World Heritage Site and home to the largest collections of Spanish-Colonial architecture in the Americas. Learn about the Plaza de la Revolucion, the center of Cuban political life where millions of Cubans listened to the speeches of Fidel Castro. Take a guided tour with a local cigar expert to the La Corona Cigar Factory. Learn about the history and the process for hand rolling Cuban cigars. Enjoy a performance by the amazing Habana Compas Dance Group. Interact with the students and teachers to learn about the Cuban dance culture. Tour the famous Nacional Hotel, once Havana's flagship hotel that has once hosted celebrities and world leaders such as Winston Churchill and Frank Sinatra.

Travel into the rural Cuban countryside to the Vinales Valley, located in the western most mountainous range in Cuba and declared a UNESCO World Heritage Site. This region is known for its stunning scenery, a landscape of prehistoric looking flat-top mountains or "mogotes," tobacco plantations, caves and rivers. Visit Ernest Hemingway's Farm, (Finca La Vigia meaning 'lookout house'), where the Nobel Prize winner lived with his wife, Martha, for 21 years. View the perfectly preserved home where many of Hemingway's personal furniture and belongings remain intact.

Review the itinerary details and keep in mind that roundtrip airfare is included in the tour price. We hope that you can join us on this incredible trip!
