NC STATE

2024 IMPACT REPORT giving.ncsu.edu/connect/wwip

Letter From the Chair

We are now in our sixth year of Wolfpack Women in Philanthropy, and it's been an honor to see how this group continues to make extraordinary strides toward increasing the impact and recognition of women at NC State. We're seeing growth in representation across the university, with more women becoming donors and serving on boards than ever before. I'm personally excited about our inaugural NC State Wolfpack Women Symposium taking place May 27, 2025.

Wolfpack Women in Philanthropy ultimately seeks to live out our tagline, "Impactful giving. Meaningful engagement. Influential leadership. Amazing learning." Take a look below at just a few of the ways we've accomplished those goals, already making a difference at NC State.

Amazing Learning

NC STATE OF THE FUTURE WEBINAR

Hosted Virtually Fall 2023
118 attendees

Featuring leaders across campus, this panel discussed university topics like enrollment, faculty, graduate students and campus infrastructure.

WOMEN'S HISTORY MONTH LUNCHEON AND DISCUSSION

Hosted Spring 2024
61 attendees

In celebration of Women's History Month, our four panelists honored the legacy and ongoing contributions of women at NC State by discussing the ways women and NC State can invest in each other.

Influential Leadership

43% of current university board members are women — but we're striving for 50%. That's why we've been developing a pipeline of women for board service and leadership positions. Before our efforts began, only 38% of board members were women.

Meaningful Engagement

From donors to alumni to deans, NC State Wolfpack Women in Philanthropy is lucky to have brilliant, strong women on our team who are leading the way to NC State's future. Read about them and other amazing women on our website by scanning the QR code or going to giving.ncsu.edu/connect/wwip.
